

ABOUT US

Broken Rope is a company that has been producing high quality meat products for over 100 years now. We operate our business on the ideas of being original and authentic. We carry the old fashion tradition but with new developed techniques and skills. All while maintaining a fresh authentic product that our whole company would back and be

Products

-> Sirloin Steak

-> Ground Beef

-> Filet Mignon

Our Process

Here at Broken Rope Industries, we put a large emphasis on the need for an eco friendly environment. We raise our young cattle naturally on grass and grain, while taking a hands on approach to minimize the need of a processor for our fine cut quality meats.
